

## 2nd Saturday Escondido Arts and Cultural Experience:

Welcome to Escondido's 2nd Saturday arts and cultural experience... a uniquely creative collaboration comprised of many different events.

This fantastic collection of diverse cultural experiences still includes the wondrously eclectic art galleries of Escondido's historic downtown and has grown to include arts, theater, and historical and educational experiences all around the area... and all throughout the day. Bring the kids, enjoy a date night, or a girls night out... there's something for everyone!

Check out the Calendar of Events at [VisitEscondido.com](http://VisitEscondido.com) or go to their websites directly for more details on the Opening Receptions at these exhibits and attractions.
